

Nanded Mahila Shikshan Sanstha Nanded's

K R M MAHILA MAHAVIDYALAYA, NANDED

(Accredited with 'B' Grade by the NAAC)

INSTITUTIONAL DISTINCTIVENESS

Education broadens the horizons of human mind and reason. Ours is the only women college in the Nanded district. The college was established with a sublime aim of imparting education to the girls from rural, backward and minority sections of the society. The institution has been working on the same ground. The students come from the aforementioned classes where higher education is beyond their reach. Some of the students come from slum areas of the city. Many a time, some parents give vent to their feelings by expressing their gratitude towards the women college. Some parents are still reluctant to send their daughters to the colleges of co-education, so they think a women college most suitable for their wards. Exactly, the same response we get from the students at the farewell party. Most of the graduate students are the first generation learners in their families which is an outstanding feature of the college. Many ex-students of the college are working in different fields including politics and social works. Last year, we successfully faced the NAAC peer team for re-accreditation (cycle 2) of the college in which the institution was graded 'B' with the CGPA 2.05. We are trying to fulfill the suggestions given by the peer team.

As for as the financial assistance to the students is concerned, the reserved category students are given government scholarships and the general category students from financially weaker section are offered financial assistance through Rajarshi Shahu Free Education Scheme which is a unique practice run by the college. The management members, faculties and other donors from society make the financial contribution as a social responsibility. It helps the students to solve their small monetary problems.

The college offers B.A. and B.Com. programmes. The management took an initiative to start B.Sc. programme on non-grant basis which we are trying to set well. We are trying to develop the laboratories and other related things to settle the course. The college offers Home Science as optional subject to the students of BA. In this regard, the college is also the only college to offer Home Science subject which is the essential skill for girls. The college has girls NCC unit which is the only in the Nanded district. Girls from other colleges have also opportunities to join the unit. The NCC cadets actively participate in various camps organized by 7th Maharashtra Girls Battalion. The students appear for 'B' and 'C' certificate exams which are quite useful for their career in police department.
