

**KHURSHEDBANU RUSTUMJI MEWAWALA MAHILA MAHAVIDYALAYA,
VAZIRA BAD, NANDED.**

LIBRARY PROFILE

Vision:

KRM MahilaMahavidyalaya will be the hub of excellent knowledge resources disseminating information in support of the objectives of the college.

Mission:

- a. To Strengthen Library resources required for teaching and Learning.
- b. To Provide Current Awareness Service.
- c. To Support women education in making available e-resources.

Introduction:

KRM MahilaMahavidyalaya is established with the college inception. Library of the Mahavidyalaya is always looking for the best information services to the users. Users of the library are students, teachers, non-teaching and casual readers. Mahavidyalaya is playing major role in education of women in this region. Library also develops its collection in support of role of Mahavidyalaya. Presently college library is holding the collection of books, periodicals etc. Though the collection is less in number it is good in quality. Library provides services like circulation service, reference service and e-resources through internet. Library of the college has started its automation using Soul 2.0 software developed and distributed by the INFLIBNET (An IUC of UGC.) It has also introduced barcode technology in the library. N-LIST program the most popular project of INFLIBNET is also being subscribed by the college. Teaching faculty and students are making best use of the program. Library is administered as per the principles and procedures of library science. It is trying its level best to provide utmost advanced users service by introducing advanced technology, in future also it will follow the path of technology as it is the need of an hour. Library of the college is situated in 353 sq.mt. area.

Special features of the library:

- ❖ Library is a Heart of Institute. Teaching and learning system are supported by library through reading resources. It is an academic focal point of the campus.
- ❖ Library is well equipped with reference books, textbooks, journals, periodicals, and news papers etc.
- ❖ Library uses D.D.C Classification scheme in classification of reading resources.
- ❖ Collection of the information sources is as per the requirements of the teaching and students of the college.
- ❖ During last 25 years of its service it has preserved a treasure of knowledge in the form of print information sources.
- ❖ Using SOUL 2.0 software for library automation.
