Analysis of Student Satisfaction Survey for AY 2022-23

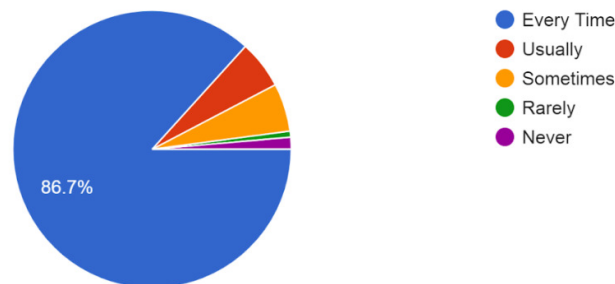

---

The Student Satisfaction Survey of the academic year 2022–23 was conducted online by using the Google form. The questionnaire was formed as per the NAAC guidelines. Almost 143 students participated in the survey and responded to the questions regarding their experiences in the institution. The online questionnaire was circulated among the students' group, and their opinions were taken into consideration. Most of the students responded positively, and they also gave some suggestions regarding the institutional performance. The result of the survey is shown in the form of a pie chart below:

Suggestions  
Dase

I don't like the poor system.

It's already better

There should be more use of ICT based education

yes

S s s 2022-2023

More facilities should be made available for girls in colleges. As well as drinking water There should be washroom facility

Not yet any need to improve the teaching and learning process of the college
