Analysis of Student Satisfaction Survey of the Academic Year 2021-22

The IQAC conducted the Student Satisfaction Survey in offline mode. The questionnaire was designed as per the NAAC guidelines. During this academic year, 90 students responded to the questionnaire regarding their teaching-learning experiences at the institution. The IQAC collected the responses and analyzed. The analysis of the survey is displayed on the college website. The majority of the students responded positively to the questions and gave some suggestions regarding their experiences. The following pie charts analyze the responses of the students to the questionnaire:
